

Stock Donation

Gifts of stock can be especially advantageous for individuals who have a low cost basis on securities held twelve months or longer. Capital gains tax can be avoided on the appreciation of the securities donated directly to KUHF-FM. Please check the appropriate box.

I prefer to have my stock donation electronically transferred. I have provided my broker with the information in the box below to initiate the transfer.

I prefer to endorse my stock certificate directly to the “**Association for Community Broadcasting, KUHF Houston Public Radio**” and send it, or deliver it to the address in the box below.
